## Phoenix suns girl video

A famous Instagram model claims she has been in touch with seven Phoenix Suns players in one night offered to release a suns video recently. On Friday, it didn't appear as if he had actually published any clips featuring him and team members, though. It's unclear if any such footage even exists, but if it does, it hasn't seen the light of day. The Instagram model in question, who went by the name Ayyyejae, went viral again in August after her appearance on the Podcast No Jumper with Adam22. During the show, he alleged that he had been in contact with seven Suns members in one night - including team star Devin Booker. On my birthday, my birthday is Memorial Day weekend and I see them all in Drai like this one team, she recounts. And I get the \*\*\*\*\* in the hotel room and they all stop and I suck the a\*\*. Rajon Rondo had himself offseason. — Game 7 (@game7\_) October 29, 2020 According to detailing Ayyyejae's show, he was already with another dude when the seven NBA players rolled into the picture. How did Booker get into the equation? It is alleged he and the other Suns players in attendance had heard about his skills before their meeting. This encourages them to want to test it themselves. In retells Ayyyejae's story of how all this went down, Booker stepped up to the plate first like any true leader - and then his teammates followed suit. To date, no Suns player has come forward to confirm Ayyyejae's claims. Of course, they also haven't come out to deny them either. The charge was just floating in the ether, constantly waiting for reinforcement. Fans aren't shy about how they look. — Game 7 (@game7\_) October 27, 2020 Meanwhile, ayyyejae parlayed all her internet fame into some social media clout and OnlyFans pages. She has 137,000 followers on Instagram and an undified number of OnlyFans subscribers. It is unclear whether he is currently relying solely on the latter as a means of supporting himself financially. One way or another, this may not be the last time he'll throw a video of the Suns out there as to generate buzz. It's something most people know about him, so it will always be his bread and butter. Has he ever actually released a video? Does it even exist? It's up to each individual to decide for himself. The way she tells stories doesn't seem to be her lying even though her friend is Celina Powell who is a professional clout hunter and may have trained her to exaggerate for clout. With that being said it really makes sense. I hope they're all tested after this meeting and I'm not talking about RONA. Turning the page for his interview, some twitter reaction, and the team in question. The 'ayyyejae' Instagram model was a guest on the 'No Jumper' podcast earlier this week when she revealed her story of giving blowjobs to seven members of the Phoenix Suns at the same time. Ayyyejae: On my birthday, my birthday is Memorial Day weekend and I see them all in Drai like this one team.. and I get f\*ked in a hotel room and they all stop and I suck their dicks. The whole team? Ayyyejae: Seven. He doesn't seem to be ashamed of what he's doing at all, but his family is a different story. Apparently, she still lives at home with her parents, who are Mormons, and they soon disowned her after the story went viral. Not only that, he was fired from his job, where his father was actually his boss. The girl who sucked 7 NBA players was not recognized by her parents and fired from her job (her father was her boss). Also apparently they are Mormons.— adam22 (@adam22) August 19, 2020 He doesn't care because of how much money he makes in one day on his OnlyFans account. He's unfettered. She went from 3000 to 32k on Instagram and said she made \$22,000 on Onlyfans in

one day.- adam22 (@adam22) August 19, 2020 As she said on Twitter, she will move out of her parents' house soon before any of this happens. Like I gave my fucking bitch a move late last month anyway lmao – BRAT👉🏻💙 (@ajiddyz) August 19, 2020 Here's Adam22 talking on it: I guess it's all worth it? Ayyyejæ: Mhmm, there's nothing what nba teams let this girl throat them like this at the same time 🤔 - (M) (@WashedMel) August 18, 2020 After her statement, the girl gained a lot of fame, gained a lot of subscribers on the famous OnlyFans platform, receiving \$100K on the site. (via Ayyejæ) Now, for a modest price of \$45 per month, you'll get access to that illicit footage and many other amenities and content from Ayyejæ, which clearly has a great feel for business and makes big money.
